

#### Good day!

Our copy & print center - digital printing house "Kopirovalnya" - offers a wide range of services for printing, copying and scanning of any editions and formats of printed polygraphic products, as well as of construction submittals.

We handle a wide range of orders: everything from passport photocopies, business cards, and brochures to t volumes of construction-related project documentation, offset editions of periodicals, newspapers, and books.

We can produce banners for various events, advertising stickers and can print strictly accountable documents for companies. We can scan and copy courts-, state authorities- and services documentations, as well as exhibition stands, roll up display stands and signs.

We supply paper for office equipment and for digital wide-format printing and printing supplies for printing machines of all known brands: toners, cartridges and ink.

Our copy&print shop uses exclusively high quality materials to print high resolution photos and pictures of any size and in any quantity.

We assure you of the quality of our work and products. We are looking forward to help you!
